

Announcements Nov 8, 2023

During period 2, the grade 10's will be called to the theatre for a presentation explaining the Essential Skills program. We will be making an announcement at the beginning of period 2.

Milk cartons are being placed in our recycling bins and this is creating a problem. Unless you are willing to rinse out the milk cartons, they need to be placed in the garbage. When the milk sours it ruins all of the other recycled materials that are in that bin.

Hi everyone. Just a reminder that the poppy rock painting station will be open today at lunch again. There are also postcards for writing messages of gratitude to veterans. Come check it out and be sure to clean up after you're done.
